

**BRAINWARE  
UNIVERSITY**

3<sup>rd</sup> ANNUAL

*Convocation*  
2021

APRIL 24, BRAINWARE UNIVERSITY

---

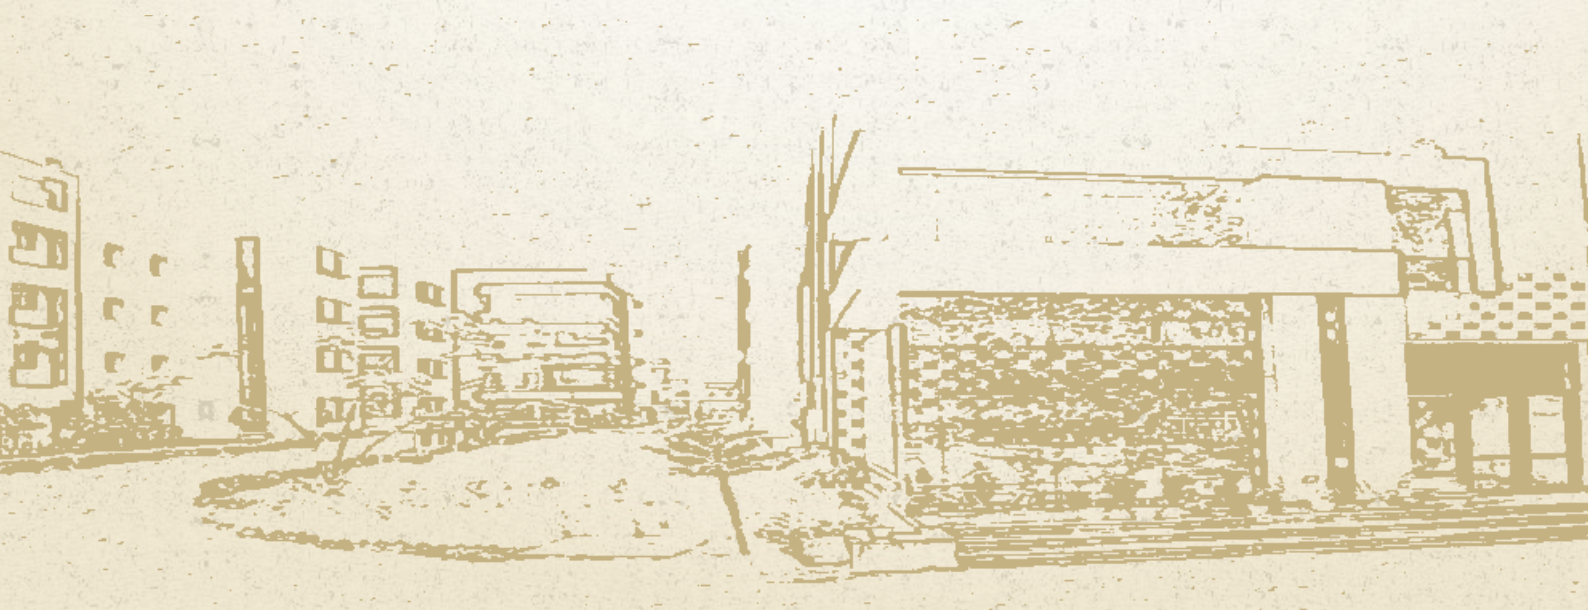

Dear Sir/Madam,

It gives me joy insurmountable to be able to invite you on behalf of Brainware University to grace the occasion of the third Convocation Programme of the institution on the April 24, 2021 from 11:00 am onwards. Established in 2016 Brainware University may be a fledgling name, but we have always considered it our creed and motto to not only provide our students with the best possible education but also give them an atmosphere that enables an all-round development of character and psyche. As you very well know Sir/Madam, a Convocation Ceremony has always been a watershed moment in the life of any student, and given your limitless contribution to both academics and beyond we could think of no person better to grace the event and encourage the young impressionable minds as they look to create their mark in life and society.

We thank you for your time and patience and hope that you would provide us with the honour of hosting you on the said day.

Professor Sankar Gangopadhyay  
Vice-Chancellor,  
Brainware University
